This is a special place
and I will be back
next year.

As there is no
trout fishing in
Hawaii, I will have
to plan my vacation
accordingly.

Fernie, B.C.

Come stay with us, in place where the fishing is surpassed only by the scenery and abundance of Wildlife.

Stay from one to four nights in a Mongolian Yurt that can sleep up to six people in comfortable beds, complete with linen.

At the end of a great day of fishing there's nothing like a hot shower, a great meal and some story telling around the camp fire.
